CIVIL RIGHTS COMPLAINT

D. CLAIMS***CLAIM I**

The following civil right has been violated:

I been Denied A Serious Medical Problem which can lead to more problems in my body. Defendant intention Denied me serious medical issue, I was suppose to see the Urologist, But I been on the list to see Urologist A few Months they keep changing the date when I suppose to go out to see the Urologist. Every time, I file Paper work, They will say he just been put on the list to see the Urologist if that is the case. Why I have Paper work complaining about the Urologist back in May, June, July, August, And now. I have a Right to be free from Cruel And Unusual Punishment When you dealing with a Serious Medical issue And you delay treatment intention. Then you keep lying to the Plaintiff, I have A Right to be Free From Serious Medical issue that cause harm.

Supporting Facts: Include all facts you consider important. State the facts clearly, in your own words, and without citing legal authority or argument. Be certain you describe, in separately numbered paragraphs, exactly what each DEFENDANT (by name) did to violate your right.

I have serious medical issue that can cause more harm to my body if not treated in time. I was send to outside Hospital because of these serious issue. I am uring and faeces on my self know control. This is very important and for Health Service to denied me to see the Urologist for Five Month. Is delay in serious medical treatment that could cause death. These are the Problems URIN Track, Prostate, Kidney Stone, one more issue I do not know the name. This been going on since 5-22-22 longer then that because I was on streets with this problem. 1) My issue is the person in charge of making sure you go to appointment to the outside doctor the Urologist. The Doctor in Health Service can only let the chief Medical Officer know you need to see the Urologist. 2) The outside Hospital L.C. M.C. also said that I need to see the Urologist. But I have been denied serious medical issue.

*If there is more than one claim, describe the additional claim(s) on another attached piece of paper using the same outline.

E. REQUEST FOR RELIEF

I believe that I am entitled to the following specific relief:

- 1) I believe that I am entitled to relief under Los Angeles County Jail Correctional Health Services. They service the County Jail inmates medical coverage. And as long as they have contract with the Jail my medical is covered.
- 2) When you intentionally delay medical treatment is a serious violation of my constitutional right under cruel and unusual punishment. Intentionally denied urologist doctor.
- 3) The conditions at Los Angeles County Jail the largest jail system in the Nation, have been the subject of court oversight since 1978. When a federal court judge found numerous conditions that violate constitutional right.
- 4) My religious Halal diet, stop coming, know reason just stop coming. These things are constitutional issue.
- 5) The L.A. County Jail System is a national disgrace" Corene Kendrick, deputy director of the ACLU National Prison Project said in a statement. For almost 50 years the jail has been under court oversight to provide the most basic minimum standard of sanitation, health care and sending inmates out to see other doctors like the urologist that deal with prostate, urine track, kidney stone, and these are my issue right now.
- 6) I came to this jail May 20, 22. I been asking to see urologist doctor infection other issue. Pissing and defecating at the same time. Really has been hurting me and I have been going to the court in pain can not stand up. You are not suppose to be treating anyone like this. For the record they will not let me use a pen or make copies for me, legal work and they have a law library. But denied me that right. So I pay you accept this complaint.
